

Resolution 2008-06

of the

Fox Canyon Groundwater Management Agency

A RESOLUTION COMMENDING THE VENTURA COUNTY REGIONAL ENERGY ALLIANCE ON THEIR FIFTH ANNIVERSARY

WHEREAS, the Fox Canyon Groundwater Management Agency is dedicated to the preservation and protection of all resources both natural and manmade; and

WHEREAS, the water, natural gas, and electricity resources of the County of Ventura are vital to business and society; and

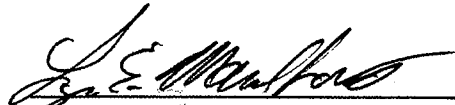

WHEREAS, the efforts of the Ventura County Regional Energy Alliance have enhanced the objectives of the Fox Canyon Groundwater Management Agency along with many peoples' lives and businesses; and

WHEREAS, the Ventura County Regional Energy Alliance has exhibited vision and leadership in the areas of resource conservation, promotion of the regional economy, and the role of individuals and companies in supporting best-use management practices that protect and preserve local water and energy supplies; and

WHEREAS, the Ventura County Regional Energy Alliance has strategically and successfully partnered with local business, farming, and utility interests to obtain and/or fund many key infrastructure investments and improvements that now use existing resources more efficiently because of their efforts.

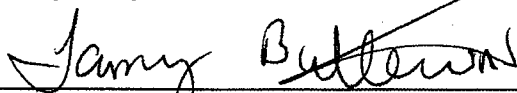

NOW, THEREFORE, IT IS HEREBY PROCLAIMED AND ORDERED that the Ventura County Regional Energy Alliance be highly commended for their innovation, their vision, their dedication to resource preservation and efficiency, and for their perseverance in helping to maintain a high standard of living for thousands of people using available water, electrical, and natural gas supplies without requiring large investments in new facilities and infrastructure – all within just five years of influential operation.

On motion by Director Flynn, seconded by Alternate Director Andrews, the foregoing resolution was unanimously passed and adopted on July 23, 2008.

Lynn E. Maulhardt, Chair, Board of Directors
Fox Canyon Groundwater Management Agency

I hereby certify that the above is a true and correct copy of Resolution No. 2008-06.
