The Third Cause of Action also seeks a writ of mandate against Fox Canyon on the ground that Emergency Ordinance E is arbitrary and capricious on the grounds that: (a) it violates Plaintiffs' water rights under California law; (b) Fox Canyon lacked a reasonable scientific and technical basis for Ordinance E's findings; (c) it takes Plaintiffs' water rights without the payment of just compensation in violation of the California and U.S. constitutions; and (d) it violates Plaintiffs' rights to due process under the California and U.S. constitutions. Alternatively, the Third Cause of Action seeks a writ of mandate directing Fox Canyon to review Ordinance E in accordance with Article 5 of the ordinance. Finally, the Fifth Cause of Action for Due Process Violations and Inverse Condemnation alleges that Fox Canyon's adoption and continued enforcement of Ordinance E violated Plaintiffs' due process rights and requires the payment of just compensation under the California and U.S. constitutions.
